As the Leaves Turn...April calls!

As autumn settles across the Hilltops Region, our glorious landscape begins to transform, with poplars turning golden and orchards and vineyards glowing in yellow, amber and russet hues.

April is a time for reflection, as ANZAC Day and Easter bring the community together. Pause and refresh, take a country walk and enjoy the sounds of birdsong and the soft rustle of gum leaves in the cool breeze, maybe even try some 'Two Up' in a club or pub. Stroll the region's historic streets, discover stories of the gold rush era, and enjoy the tranquil beauty of this special season.

Plan a visit and celebrate autumn in the heart of our beautiful countryside.
