Pick a Sweet Escape

The first cherries of the season are ripe and ready here in the Hilltops! Cherry season officially kicked off in Young this weekend, with most orchards expecting to begin picking over the coming week or so. It's time to plan a delicious country escape to Australia's Cherry Capital.

There's nothing quite like picking cherries straight from the tree. Gather your family or friends, wander the orchard rows and fill your bucket with fresh seasonal goodness. Prefer to leave the picking to the growers? Call into orchard sheds and roadside stalls to take home freshly harvested cherries.

Make the most of cherry season:

PICK YOUR OWN - enjoy a hands-on orchard experience and meet the people behind the harvest.

TREAT YOURSELF - discover cherry pies, ice cream, jams and preserves along the way.

STAY + EXPLORE - pair your orchard adventure with a cellar door tasting, a leisurely lunch and a little shopping in our towns and villages.

Before you visit: Opening dates, picking availability and entry arrangements vary between orchards and depend on the weather and ripening fruit. Check directly with your chosen orchard before travelling, and bring an esky to keep your cherries cool.

Ready to plan your cherry escape? Explore our orchard guide or contact the Hilltops Visitor Information Centre on 1800 628 233.
